

POPIA Statement

Ranta Tech, operating with PEAK PHOENIX VENTURES (PTY) LTD, is committed to protecting personal information in accordance with the Protection of Personal Information Act, 2013 (POPIA).

We collect and process personal information only for legitimate business purposes, including identity verification, affordability assessments, credit risk evaluation, fraud prevention, customer support, regulatory compliance, and the provision of financial services.

Personal information may include identification details, contact information, employment information, banking information, credit-related information, and documents submitted during the application process.

Where required, we obtain your consent before accessing bank account information, credit bureau information, or conducting verification checks through our authorised service providers.

We implement appropriate technical and organisational safeguards to protect personal information against unauthorised access, loss, misuse, alteration, or disclosure.

You have the right to request access to your personal information, request correction of inaccurate information, object to certain processing activities, or withdraw consent where permitted by law.
